

The San Diego County Office of Education (SDCOE) and YMCA Childcare Resource Service (CRS) invite you to:

QPI Quality Journey Orientation

Learn about how you can participate in the Quality Preschool Initiative (QPI),
San Diego's Quality Rating and Improvement System (QRIS).

YMCA CRS and SDCOE have teamed up to help you integrate key quality practices into your early care and education program. Together we implement QPI, with support from First 5 San Diego, the California Department of Education, and First 5 California.

QPI is a robust quality rating and improvement system, based on the state's model.

Quality Journey Orientation description:

- Learn about QPI and how you can participate in the Quality Journey, including options for coaching, professional development, program observations and assessments, and earning a quality rating.
- Discover the elements of quality defined by QPI, and what they mean and look like in practice.
- Have an opportunity to learn more about the rating system and ask questions
