

Region 10

San Diego County Office of Education
San Diego County

Fact Sheet
FY 2019-20

Quality Counts California (QCC) is a statewide system of locally implemented quality rating and improvement systems. QCC helps connect parents and families to high-quality early learning and care programs and ensures that infants, toddlers, and preschool-age children have quality early learning experiences in their local communities. QCC also provides resources and support to early learning and care providers so they can create nourishing and effective early learning and care programs that will help children grow and thrive.

Data about programs participating in QCC are collected and reported through the Common Data File (CDF). This fact sheet summarizes data provided through the CDF for this region.

The San Diego Quality Preschool Initiative (SDQPI) funded by Quality Counts California (QCC) and First 5 San Diego and operated by San Diego County Office of Education (SDCOE) is focused on continuous quality improvement of early education programs, enhancing the development and learning trajectory of children from birth through five and supporting families with resources. SDQPI is an effort to strengthen San Diego's early learning and care system to support young children and their families.

Facilitated and funded by:

Children Served by Setting

A total of **20,616** children are served by sites participating in QCC.

QCC Settings

524 early care and education (ECE) providers participated in QCC last year. This number includes:

- Center-based care settings **243**
- Family child care homes..... **259**
- Alternative settings **22**

Languages Spoken with Children

QCC providers aim to develop and support children's early language skills. Providers at the QCC settings in Region 10 reported using the following languages for instruction with children. Many sites provide instruction in more than one language (thus, the percentages may add up to more than 100%):

- English..... **31%**
- Spanish..... **23%**
- All Other Languages..... **46%**

How Children Are Served by QCC

Total number of children served **20,616**

Total number of children served by age groups:

- Infant..... **764**
- Toddler..... **2,097**
- Pre-K..... **12,804**
